THE ANDERSON COUNTY REVIEW 9-24-2019 / DANE HICKS

City mill levy to increase on top of higher valuations

Higher PD benefits, water plant, escrow for tax appeal bring hike

BY DANE HICKS THE ANDERSON COUNTY REVIEW

GARNETT – City commissioners approved a tax increase on property owners in their 2020 budget that combines with an increase in property values, aiming to cover expense hikes including better police department benefits, work on a new city water treatment plant and the continued funding of back-up funding in the event the city loses a major tax appeal.

A public hearing on the 2020 budget to give the public a chance to have its say on those expenses is set for 6 p.m.

October 1, at city hall.

The proposed budget will allocate some \$12.1 million in 2020 spending, along with \$2.45 million in funds not spent in 2019 and transferred to next year's budget. That compares with \$9.8 million in expected 2019 spending with \$2.28 million in transfers from 2018.

City property owners saw their homes and businesses appreciate in value since the 2018 property appraisals, bumping the city's assessed valuation (portion of property value to which tax rates are applied) from \$23.424 million to \$23.684 million.

That 2020 level of projected expenses also required a higher tax rate, or mill levy, in order to fund the payments.

That rate increases to 45.387 mills from 43.544 last year.

Mayor Greg Gwin said though the city posted a 1.8 mill levy increase, a large portion of the net hike went to fund expanded pay and benefits for Garnett police. The police department spent most of the year trying to fill vacancies on the staff, a problem chief Kurt King attributed to having to compete with nearby cities which offered more pay and more extensive benefits. Commissioners in April approved a \$65,000 increase in pay and benefits that raised officers' hourly wage and also paid to contract with Kansas Police and Fire insurance benefits, which greatly expanded

2019 Kincaid Fair rolls this weekend

KINCAID – The 109th Annual Kincaid Fair kicks off another weekend of fair run this Thursday with a full weekend of activities and local tradition.

Thursday opens with the entry of exhibits from noon to 7 p.m., a free bean feed beginning at 5 p.m. at the old city hall with free will donations accepted. The carnival operates from 6 p.m.-10 p.m. on Thursday and Friday and noon-10 p.m. Saturday. Queen voting takes place noon-8 p.m. at the exhibit hall. A kids cash grab sponsored by the Kincaid Lions Club with \$100 in prizes in three age groups up to 12 years old starts at 6 p.m. on Main Street in front of Landmark Bank. Registration for the pedal tractor pull for kids 4-12

in several age groups starts at 5:45 p.m. with the event to begin immediately after the kids cash grab (about 6:30 p.m.).

On Friday queen voting continues until 8 p.m. Judging of fair entries starts at 8 a.m. at the exhibit hall. A senior citizens turtle race for ages 50 and up begins at 4 p.m. Friday. Entries in the Mary Jane Holloway Memorial Pie Baking Contest begin at 5 p.m. with judging at 6 p.m. The Carnival opens at 6 p.m., and Bingo begins at the old city hall at 7 p.m. with lots of prizes.

Saturday the annual Kincaid Fair 5K/1.5 mile walk rolls with registration from 7 a.m.-7:45 a.m. in front of Landmark Bank, with start time at 8 a.m.

craft, commercial and small antique booths will be set up at the fair building with no rental fee and a 7 a.m. setup time to open for customers at 8 a.m. There will be an antique farm machinery show, a horse shoe pitching contest at 9 a.m. at Roadside Park and a custom car show with registration at 9 a.m. The crowning of the Kincaid Fair Queen is at 1:15 p.m. and the parade begins at 1:30 p.m. Kids games, frozen t-shirt challenge and dry land turtle race follows the parade as well.

For more details and information, download the event fair book at www.garnett-ks.com/kincaidfair2019.pdf.

Garnett scores \$1 million to fix highway drainage

GARNETT – City commissioners in Garnett have formally accepted an agreement with the Kansas Department of Transportation which will allocate \$1 million in grant funding for repairs to the Highway 59 strip to alleviate storm flooding.

City manager Chris Weiner said the acceptance of the agreement at the commission meeting earlier this month was a formality, but one that locks in the funds so they can't be used anywhere else.

"We have been awarded the project," Weiner said last week. "It was on the agenda for the commission to accept the project and lock in our \$1,000,000 grant allocation – otherwise, they (KDOT) would have moved on to the next project on the list and given them the million."

Garnett's project was part of some \$18 million in state

funding designated to be applied to various projects in places where state or federal highways run through towns. Garnett will have to match the project with some \$400,000 in local funds when it is undertaken

in 2022.

The pavement restoration project will aim at fixing a drainage problem on U.S. Highway 59 as it runs through the town's highway commercial

What's the difference between men and pigs? Pigs don't turn into men when they drink.

NEWS IN BRIEF

LICENSE PLATE RENEWALS

License plate renewals for all individuals, whose last name begins with P, Q, and R, are due by Monday, September 30th, at the Anderson County Treasurer's Office.

HISTORICAL SOCIETY TO MEET

The Anderson County Historical Society will meet at the Welda Community Building, Thursday, Oct. 3rd, 6:30 p.m. for a potluck dinner meeting. The program will be the history of Hungry Hollow, by Henry Roeckers. Public welcome to attend.

GOSPEL JAM AT RICHMOND UMC

Music will be lively and plentiful at the Richmond United Methodist Church Sunday, Sept. 29th, at 6 p.m. when Doug McIntosh and friends will have a Gospel Jam Session. Everyone is welcome and those who wish are invited to sing or play along with McIntosh and the other musicians. The Richmond UMC choir plans to add a number, said Pastor Lenise Eddings. There will be a time for fellowship and refreshments following the music.

COLONY GARAGE SALE DAY SET FOR OCTOBER

Colony's City-Wide Garage Sales are scheduled for October 4th & 5th.

KANSAS AIR TOUR

Everyone is invited to the Kansas Air Tour on Thursday, September 26th from 1-3 p.m. There will be approximately 40 aircraft landing around 1 p.m. The Airport Advisory Board is working hard on this event, so let's help them out and participate! Setting up a booth will give the pilots something to do, while giving them an idea of what Garnett is all about. This is a great opportunity to market your business and showcase our community and what it has to offer. If you are interested, please contact: Susan Wettstein, Community Development Director, (785) 448-5496 or email susan@garnettks.net.

SENIOR CENTER IN SEARCH OF MEDICAL EQUIPMENT

The Garnett Senior Center is seeking donations of used medical equipment such as: walkers, wheelchairs, scooters, beds, shower chairs, etc. You may drop off at the center from 9:30-1:30, Mon-Fri or call 448-6996 for the item to be picked up.

SUICIDE AWARENESS GROUP 1ST TUESDAYS

SAM - Suicide Awareness Members, a division of SASS-MoKan - meets on the first Tuesday of the month from 6:30-7:30 at the Garnett Library located at 125 W 4th Ave in Garnett.

The facilitator is Lu Ann Nichols, who may be reached at lu.ann.nichols.1956@gmail.com.

KS-VINE AVAILABLE

Kansas VINE: Victim Information & Notification Everyday (KS-VINE), is an automated victim notification service. Kansas VINE is free and anonymous and provides victims of crime and the general public the ability to search for an offender housed in a county jail and receive notifications.

ANDERSON COUNTY COMMISSION September 16, 2019

Chairman Jerry Howarter called the meeting of the Anderson County Commission to order at 9:00 AM on September 16, 2019 at the County Commission Room. Attendance: Jerry Howarter, Present: David Pracht, Present: Leslie McGhee, Present. The pledge of allegiance was recited. Minutes from the previous meeting were approved as presented.

Road & Bridge

Lester Welsh, Road Supervisor, met with the commission. He presented a road permit for Southern Star at 800 Rd and Louisiana Rd. Chair Howarter signed the permit.

Willdan Engineering

Hilary Edwards, Willdan Engineering, met with the commission. She gave an overview of their company and what they can offer the county. The company specializes in energy efficiency and taking a holistic approach in what the county needs.

Bonds

David Arterberry, Stifel Nicolaus, met with the commission. He presented information on the possibility of a refinancing of the 2013 hospital bonds. The bond would become a taxable bond instead of a tax-exempt bond if refinanced and could save the county \$1.3 million. Although, if the county waits until the bond becomes callable in 2023 the county could see a savings that is double if the interest rates stay consistent. Discussion was tabled.

Rural Fire

Mick Brinkmeyer, Rural Fire Coordinator, met with the commission. The bids for the Welda Fire station will be opened on September 19th. Discussion was held on the use of the fire buildings and county property by the public. The Commissioners want the buildings to be accessible to the public but are concerned with liability issues. Julie Wettstein will discuss the issue with KCAMP and see if there is a reasonable solution.

BUDGET...

FROM PAGE 1

benefits to officers.

City manager Chris Weiner noted some \$250,000 in reserve funding the city had to budget in escrow to pay off a Kansas Board of Tax Appeals finding from several years ago regarding the amount of taxes due on the East Kansas Agri Energy ethanol plant. EKAE paid its taxes under protest but appealed that finding, and the city has budgeted an amount roughly equal to EKAE's tax payments in the event the appeal should eventually revise those payments.

"Our actual expenditure are going up really only very minimally," Weiner said.

Other increases were seen in the city's general fund, capital improvement and equipment reserve funds.

Gwin noted commissioners cut some \$815,000 from city utility expenses from the initial draft budget in order to help keep taxes down.

Charles and Peggy Carlson win duplicate bridge

Charles and Peggy Carlson won the duplicate bridge match September 18th in Garnett.

Steve Brodmerkle and Anita Dennis came in second, with Faye Leitch and Lynda Feuerborn a point behind in third.

The Garnett Duplicate Bridge Club welcomes all bridge players Wednesdays at 1:00 at The Garnett Inn.

SPILLMAN

JULY 8, 1942 - SEPTEMBER 12, 2019

Sandra D. Spillman, age 77, of Iola, Kansas, formerly of Colony, passed away at her home on September 12, 2019.

Sandy was born on July 8, 1942, in Garnett, Kansas to Clem Everett McGhee and Yvonne Helen (Bain) McGhee. She graduated from Colony High School in 1960. She then attended the Joplin School of Cosmetology. Sandy owned and operated the Iola School of Cosmetology for two and a half years, where she taught 23 students. During the time she was a beautician, she owned and operated beauty shops in Iola, Blue Mound, and Kincaid. Sandy retired in 1999, so she could help more on the family farm. Sandy married Willard Dean Hamm in April 1960. This union was blessed with two daughters, Terri and Melissa. They later divorced. Sandy then married Decker Spillman on March 19, 1970. This union was blessed with one son, Vance.

When Sandy's children were small, she enjoyed sewing clothes for them and later making quilts for her grandkids and great-grandkids. She also enjoyed gardening and she canned vegetables every summer. Sandy's hobbies were reading, doing latch hook, crewel stitchery, and yard work. Every year, she looked forward to growing flowers for her numerous flower arrangements she entered at the Kincaid Fair. She also enjoyed fishing, spending time with her family, and playing games. While Decker was working on the farm, Sandy taught Vance how to play baseball, even though she couldn't catch or throw very well, which is something he still enjoys to this day.

She was preceded in death by her parents, her husband, Decker Spillman on February 27, 2018, and her brother Gary.

Sandy is survived by her two daughters, Terri Jackman and husband, Greg, and Missy Strickler and husband, Jeff, of Colony; her son, Vance Spillman and wife, Barbara, of Flower Mound, Texas; nine grandchildren, Jessica Feuerborn and husband, Luke, of Garnett, Kansas, Crystal Dunbar and husband, Andrew, of Richmond, Kansas, Zachary Jackman and wife, Linsey, of Colony, Tanner Strickler of Lawrence, Kansas, Katrina Strickler and fiancée, Caylor Luther of Olathe, Kansas, Tiffany Davidson and husband, Devin, of Colony, Kaden Strickler of Wichita, Kansas, and Mayson Spillman and Ethan Spillman, both of Flower Mound, Texas; nine great grandchildren, Kallie, Kamrie, and Karlie Feuerborn, Arabella, Aydan, Mathew, and Calan Dunbar, Emmilene and Vanorah Jackman; sister, Delores Showalter of El Paso, Texas; brother, Ronald McGhee, of Colony; two sisters-in-law, Darline Spillman of Kincaid, Kansas, and Letha Spillman of Blue Mound, Kansas; numerous nieces and nephews; and her beloved dog, King Kong.

Funeral services were held September 21, 2019, at the Kincaid Selma United Methodist Church, Kincaid, Kansas. Burial followed in the Kincaid Cemetery.

Memorial contributions may be made to the Colony First Responders and left in care of the funeral home. Condolences to the family may be left at www.feuerbornfuneral.com.

Spillman

BROCK

OCTOBER 18, 1936 - SEPTEMBER 12, 2019

Dorothy M. Brock, 82, passed away peacefully at her home in Ottawa, Kansas on September 12, 2019.

Brock

Dorothy was born October 18, 1936 in Garnett, Kansas to Ray and Ann (Roth) Duke.

Dorothy married Eugene Brock in 1956. They later divorced.

Two sons were born to this union, Rick Gene and David Alan.

Dorothy lived and worked in Richmond most of her life. Upon retirement, she moved to

Ottawa. Dorothy was preceded in death by her sons; Rick in 1973 and Dave in 2015; parents, Ray and Ann (Roth) Duke; brothers Charles (Chuck) Duke and Richard (Bud) Duke.

Dorothy is survived by her granddaughter, Kayla Jo (Brock) Evelhoch and husband, Tim; great grandson, Jax Jo; great granddaughter, Quinn Lou, all of Ottawa. She is also survived by her sister, Pat Rossman of Richmond along with many nieces, nephews and dear friends.

A private graveside service will be held at a later date.

Condolences may be sent to Kayla Evelhoch at 521 S. Cherry Street, Ottawa, KS 66067.

BROWN

SEPTEMBER 25, 1947 - SEPTEMBER 22, 2019

Howard Lyle Brown, age 71, of Richmond, Kansas, passed away on Sunday, September 22, 2019 at his home.

He was born September 25, 1947, in Ottawa, Kansas, the son of Howard and Grace (Phillips) Brown.

Lyle married Virginia Robertson and they later divorced. He then married Sondra Chambers on September 16, 1995. Sondra pre-

ceded him in death on October 30, 2014.

Funeral services will be held at 10:30 a.m., on Thursday, September 26, 2019, at Feuerborn Family Funeral Service Chapel, Garnett with burial following in Richmond Cemetery. The family will greet friends at the funeral home on Wednesday evening from 5 p.m. to 8 p.m.

BEYER

SEPTEMBER 19, 1982 - SEPTEMBER 21, 2019

Travis Wade Beyer of Gridley, Kansas, passed away unexpectedly on Saturday, September 21, 2019, at his home north-west of Gridley. He was 37 years old.

Beyer

Travis was born September 19, 1982, in Emporia, Kansas, the son of Richard and Cindy (Mechnig) Beyer. He grew up on the family farm and graduated from Gridley High School in 2001. Travis spent some time in college before deciding that he preferred hard work over academia. Travis began a career as a pipeliner and joined International Union of Operating Engineers Local 101. It was there that Travis found not only a career that he was incredibly skilled at but something that he found great joy in. Many of his fellow pipeliners have said that Travis was the only one that they would trust to wrench them off on a hill, that he was the best pipeliner they knew and that he was a great friend they always looked forward to seeing. He loved the profession and the wide variety of friends that he made all over the United States because of it. Travis found a true companion in his dog Jake. Together they fished, hunted and spent as much time outdoors as possible. They were the best of friends. Second to none of these things was the love that Travis had for his sweet daughter Mckenzie. If you ever ran into Travis you were probably hearing about how beautiful, tall and ornery

his sweet girl was growing up to be. Travis also enjoyed time with his niece Harper who affectionately called him Uncle Travis, banana taffy buddy. Travis energized any room that he entered and if you ever heard his incredible laugh you will never forget it. Because of his deep love for his family and friends, in his passing he leaves behind a wake of compassion and kindness that will be felt for an eternity by all that knew him.

He was preceded in death by his paternal grandparents, Vernon and Rose Marie Beyer.

He is survived by his daughter, Mckenzie Beyer and her mother Christie Palmer of Argyle, Texas; his parents, Richard and Cindy Beyer of Gridley; his sister, Krystal Beyer and Chris Skiles and their children, Harper Wright, and Aiden, Addilyn, Easton, and Tyler Skiles; his maternal grandparents, Carol Mechnig of Westphalia, KS, Bill Mechnig and wife Wanda of Pocom, OK; a number of Aunts and Uncles; many other relatives and friends.

Funeral services will be held 10:30 A.M. Friday, September 27, 2019, at the Lamont Wesleyan Church in Lamont, KS. Burial will follow in the Gridley Apostolic Cemetery.

The family will meet with friends from 6:00 to 8:00 P.M. Thursday at the Lamont Wesleyan Church.

In lieu of flowers memorial contributions may be made to Mckenzie Beyer Educations Fund and may be sent in care of Citizens State Bank, PO Box 102, Gridley, KS 66852, or Jones Funeral Home, PO Box 277, Burlington, KS 66839.

KU- What the heck are you thinking?

If I stash a car in my garage for a bank robber to use in his getaway, I broke the law. If I give someone the passwords to break into Home Depot's computer system and steal millions of customers' account information, I broke the law. So I'm waiting for someone to announce the arrest and charges against Marta Caminero-Santangelo, the head cheese of the Center for Latin American & Caribbean Studies at the University of Kansas, as well as KU President Douglas Girod, for aiding and abetting illegal immigrants through a workshop at the university entitled: "Allyship with Undocumented Immigrants: A Community Workshop" that took place last week.

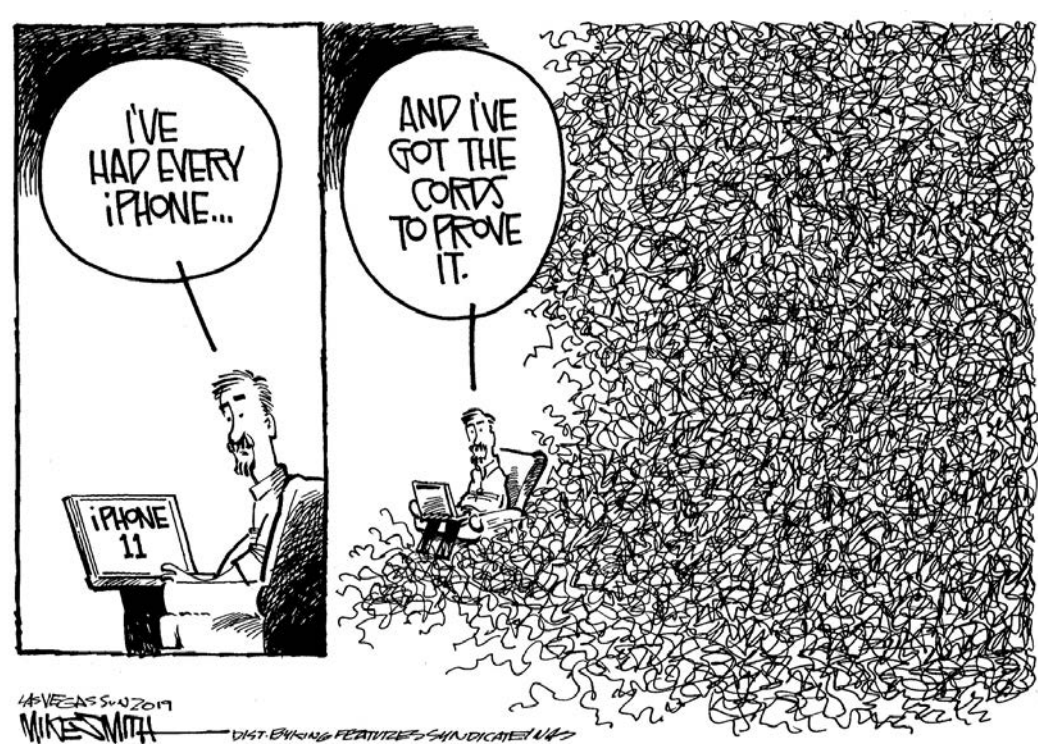

DANE HICKS, Publisher

The gist of the program, according to The Lawrence Journal-World, is that it "will be led by KU faculty and staff who work with marginalized students and is inspired by a piece in the Spencer's (museum) exhibition "knowledges." The piece, "STRATA: Mantras," by artist Danielle Roney, is a large-scale sculpture that translates voice recordings from migrants in and around Lawrence into animations of light." Huh? If I was a criminal and William Shatner as Denny Crane was my defense lawyer in an episode of Boston Legal, that's the argument I'd want him to make for me. I mean, how can someone accuse you of breaking the law when you hit them with translating voice recordings into animations of light? At this point, I want to pause to thank the taxpayers of the State of Kansas, tuition-paying moms and dads, the federal guaranteed student loan program and all those \$250 and \$500 scholarships from Rotary Clubs, quilt guilds and Daughters of the American Revolution chapters from all over our state for contributing to the development of knowledge and thought at the University of Kansas. The workshop, notably, was open to the public but "of particular interest to educators and

students" according to a Facebook event post from the CLACS. Granted, I did not attend the workshop - I had a front row seat at another KU offering that night called "Joseph Stalin - Misunderstood Humanitarian Watercolor Artist and Forgotten Vatrushka Dessert Pioneer." But from the workshop description it looked like the CLACS presentation was as much about indoctrinating the audience in teaching illegals how not to get caught and political activism to pressure the government for their benefit as it was teaching audience members how to dig a spider hole to hide them under their kitchen floors. One handbook available online to help develop "allyship" lists among its objectives: "Educate faculty and staff about relevant immigration laws impacting students and related student issues and challenges" and "Provide undocumented students comfortable access to trustworthy, knowledgeable, and sensitive people who can provide a safe and nondiscriminatory environment." Whatever it was - whether instructing political bias or outright lessons in aiding and abetting violators of federal law - it was far and away from the mission of a university which

After reading the housing authority news, it seems they made a bad decision in waiting two years before talking about adding a new apartment complex. When you have 26 people wanting to move in, seems like they shouldn't wait 2 years to start thinking about adding to the project so older people could move in and not have to worry about taking care of their home. It seems that the addition should be started and worked on and built for next year. Our city

commissioners should have a discussion about the senior housing project and when it should be added. Thank you.

I'm getting tired of the emergency vehicles for the fired department and other ones running with the red lights on but no sirens. Kansas law says if you run the lights, you have to run the sirens. So they'd better learn.

Russia, racists, and rampant ridiculousness

Now that the Russia collusion story has lost its glow, the left's narrative du jour is that anyone expressing a contrary opinion is a racist. It is so exhausting! What is a racist, anyway? A racist believes that race is the primary determinant of human traits and capacities and that racial differences produce an inherent superiority of a particular race. Tethering a rival to racism is designed to be a career-ender. Thus, some presidential hopefuls profess embarrassment and remorse because they are Caucasian while others believe themselves to be morally superior because they are not.

MARILYN SINGLETON, M.D.; AUTHOR

The political pot-stirrers wail that our country is racist, despite the fact that we elected the son of a black African and a white American to be our leader. At about 12 percent of the population, the "black vote" could not have unilaterally pulled this off. Obama captured the white vote even after his pre-election unity speech publicly shamed his beloved white grandmother for her "cringe[worthy]" comments involving racial stereotypes. All to atone for supporting a pastor whose "incendiary language" expressed hatred toward white folks. Because they shifted their political allegiance, the same 2008 Obama voters are now racists. We have arrived at a place so vitriolic and demented that Ivanka Trump was called a racist because she bought a little white puppy for her child. By that "logic" the Obamas are racist because they bought a pure-bred black dog - and not a shelter dog as they promised to adopt. So of course, they likely harbor ill will against the homeless. By today's standard, President Clinton is a racist because his ill-fated Waco tank attack in 1993 killed some 40 ethnic minority persons. And who is the racist? Eric Holder's Justice Department refused to allow a North Carolina town to hold nonpartisan local elections on the grounds that removing the partisan cue (Democrat) in municipal elections would like-

ly eliminate the single factor that allows black candidates to be elected to office. Is black filmmaker Spike Lee a racist for making the movie, Chi-raq highlighting Chicago's violence and black on black murders? Is Baltimore's black former mayor Catherine Pugh a racist for saying she could smell the dead animals while touring her city's impoverished neighborhoods? No. They were stating facts that in today's brave new world white persons are forbidden from uttering. Of course, the light shed on Baltimore inspired many "racists" to help clean up distressed neighborhoods. And recall the CNN radio host's stunning response to a black man after he expressed his belief in the merits of responsibility and hard work: "by virtue of being a white male you have white privilege." Talk about racial stereotyping! How could a black person possibly believe that individuals, not the government, hold the key to success? Many black workers knew that government is not always their friend. In the 1930s, many referred to Franklin Roosevelt's National Recovery Administration (NRA) as the Negro Removal Act, the Negroes Ruined Again, or Negroes Robbed Again. The new minimum wage regulations on hiring practices favored

the all-white skilled labor unions. Many black workers were unskilled and consequently lost their jobs. Additionally, the New Deal's Federal Housing Administration refused to insure mortgages in and near black neighborhoods. Moreover, the FHA subsidized developers who were building whites-only tract homes. But somehow this administration that is advancing opportunity zones to encourage long-term investments in low-income urban and rural communities nationwide is racist. In a misguided attempt at reparations, the War on Poverty drove children's fathers out of the home as a condition of financial assistance. Elite colleges admitted unprepared black students with lower SAT scores and GPAs, resulting in a mere 38 percent graduation rate. Worse yet, some of these colleges have blacks-only dormitories. Since when is exclusion and segregation preferable to inclusivity and integration that we so strenuously fought for? What happened to "why can't we just all get along?" Jettisoned. The panderers who want to fundamentally transform America need miserable people to swallow their baloney. In truth, most of us do get along. People from California to Mississippi are socializing and working together and marrying each other at a steadily increasing rate. One-in-six U.S. newlyweds were married to a person of a different race or ethnicity in 2015, a fivefold increase since 1967. Today, given his views on self-determination, the runaway slave Frederick Douglass would be ejected from the tribe. "What I ask for the Negro is not benevolence, not pity, not sympathy, but simply justice.... What shall we do with the Negro?... Do nothing with us! Your doing with us has already played mischief with us.... All I ask is, give him a chance to stand on his own legs!"

SEE **SINGLETON ON PAGE 5A**

Bernie Sanders and the anti-people crusade

At least Bernie Sanders is an equal opportunity misanthrope. He doesn't like rich people, and it turns out he doesn't necessarily like poor people, either. At the recent CNN town hall on climate change, a questioner asked the socialist senator if he'd be "courageous" enough to endorse population control to save the planet. Sanders answered "yes," and then, after referring to abortion rights, endorsed curtailing population growth, "especially in poor countries around the world where women do not necessarily want to have large numbers of babies." He's looking at you, sub-Saharan Africa. The Sanders riff is the latest instance of a rising anti-natalism on the left, which has gone from arguing that carbon emissions are a problem to arguing that human beings are a problem. They release carbon emissions, don't they? Q.E.D. When a proposition has the support of Alexandria Ocasio-Cortez, who questions the morality of having children, and Bill Nye the Science Guy, who has discussed punishing people for having children, it's on the way to universal assent among a certain segment of soi-disant thoughtful progressives. A headline in The New York Times even asked, "Would Human Extinction Be a Tragedy?" Undergirding the anti-natalist position is the belief that we are facing a global catastrophe, such that additional babies will tip the planet into uninhabitability for everyone. This goes beyond the best evidence, and dis-

RICH LOWRY, King Features Syndicate

counts the human capacity for adaptation that is one of our chief attributes. The view that human beings are an unsustainable drain on limited resources goes back to the 18th-century thinker Thomas Malthus and, more recently, the Stanford University biologist Paul Ehrlich. In his 1968 book "The Population Bomb," Ehrlich put an emphasis on overly fertile Third World countries, just as Bernie Sanders did. But if consumption and carbon emissions are the concern, it's rich people in developed countries who are the bigger problem and should be dealt with accordingly (a task for which Sanders is dismayingly well-suited). As Benjamin Zycher of the American Enterprise

Institute notes, rising incomes -- considered an unalloyed good by anyone who experiences them -- invariably increase energy consumption. What are we to make of an agenda that seeks to diminish the number of human beings overall and to make those who enjoy material prosperity less wealthy? At a more fundamental level, the anti-natalists have a gross materialistic view of humanity. For them, we are a series of inputs and outputs, and if one particular output is considered undesirable (in this case, carbon emissions), it reduces the value of human beings altogether. No one who isn't a cracked ideological extremist or perversely blinkered economist actually looks at people this way. It doesn't account for relationships or for joy, for the wondrous distinctiveness of every person, no matter how poor or humble. People aren't a burden; they are a resource and a gift. Any movement that regards them any other way is profoundly misguided and deeply anti-humane. Build windmills if you must, but don't try to scare people out of having children -- or much worse, facilitate abortions -- in your zeal to shave some fraction of a degree off the global temperature 80 years from now.

- Rich Lowry is editor of the National Review.

Nix Phone Forum; thanks for recognition

Dane, We are choosing to write this "Letter to the Editor" as opposed to the phone forum because we have no problem with our names being known. Before we actually get to the point of our letter, we wish you would consider discontinuing the phone forum. We feel the biggest percentage of the time the forum is used to say things that a person would not dream of saying out loud, much less to a person's face. There are a great deal of subjects and issues to be discussed, worked on, and plans made with-

Man apprehended after shooting, standoff

GARNETT – After a standoff of more than three hours Sunday afternoon, Garnett law enforcement officers apprehended a man who will likely face charges in the shooting of his neighbor during a domestic quarrel near the intersection of 13th and Walnut.

Osler

Garnett Police Chief King said officers received a 911 call that Robin Durand, 67 of Garnett, had suffered a single gunshot wound while in his own residence. A suspect was identified and the standoff ensued. Neighbors said they were evacuated as officers set up their perimeter around the house.

King said Durand suffered non-life threatening injuries and is currently in stable condition at a metro hospital.

Officers apprehended 56 year-old David Osler after they talked him into putting down his firearm and exiting his residence shortly before 7 p.m.

During the standoff Osler could be heard yelling out of a window in the house at officers, and at one point about 6:30 p.m. a gunshot was heard from inside the residence. Officers were able to re-engage Osler in

THE ANDERSON COUNTY REVIEW 9-24-2019 / SUBMITTED

A Kansas Highway Patrol officer trains his weapon toward a house on 13th Street in Garnett Sunday evening during an armed standoff with David Osler after a shooting in the neighborhood several hours before. Osler was talked out of the house by officers and taken into custody.

conversation however and told him Durand had not been killed and would survive the shooting, and Osler surrendered before a special tactics team from Coffey County which was

staged nearby moved against the residence.

Osler was booked into the Anderson County Jail for attempted murder, aggravated battery, criminal threat,

criminal discharge of a firearm and burglary. The Anderson County Attorney's office had not received the case as of noon Monday, and charges were pending.

Native American artifacts found locally

About two months ago after one of our really hard rains, I decided I would try my luck at looking for Native American artifacts at one of my favorite hunting sites.

I hadn't done this for over two years and I soon found out the walking to be quite challenging.

As you can see by the above picture my outing was quite rewarding.

At the top are bison or buffalo teeth. In the middle are three pottery shards.

The one to the left is a very thick corded shard, the two to the right are smooth shards.

Notice the two different colors of clay used to make these pots.

Both of the artifacts at the bottom are arrowheads. The one on the left is 1 1/2 inches in height and is a corner notched point. It has been perfectly crafted by a very skilled person. The

DIGGING UP THE PAST

Henry Roeckers
Call (785) 504-4722 for local archeology information.

little point on the right amazes me. It is a little less than 1/2 inch in height (some people call these tiny arrowheads bird points), but actually they were used for several purposes. It is side notched and has a slightly concave base.

Native American artifacts are still to be found in Anderson County, you just have to walk further and look more carefully.

Respectfully submitted by:

More students to qualify for state universities

More students will qualify for Kansas universities after the elimination of a rule that they take courses in English, math and science in order to be admitted.

Kansas will also stop considering class rank in university admissions.

The Kansas Board of Regents voted unanimously Wednesday to change the requirements. Regents said 87 percent of Kansas high school graduates will qualify for admission to four of six public universities under the new rules.

Under the new standards, students to those schools and Kansas State University will need:

- an ACT score of 21
- or a GPA of 2.25 (3.25 at K-State)
- The old standards at those schools required students to have:
 - an ACT score of 21
 - or rank in the top third of their class
 - and complete a pre-college curriculum of English, math, natural science, social science and electives with a GPA of 2.0 for in-state students

The University of Kansas is not changing its admission standards other than to eliminate the curriculum requirement. Students will still need:

- an ACT score of 21 and a GPA of 3.25
- or a ACT score of 24 and a GPA of 3.0

out the added burden of foul language, insensitivity, and total inaccuracies. So please, for the sake of creating a better Garnett and Anderson County, do away with the phone forum.

Now, we are humbled by the number of people that recognize a person's service to their country. Butch was given a cap that states he was a Vietnam Veteran. He wears it proudly, not to celebrate fighting or destruction, but to show his commitment to service and country. He has said many times, you really don't appre-

ciate what you have until you run the risk of losing it. Twice in one week, Butch was given verbal thanks and an anonymous couple picking up the tab for our supper. Totally not necessary, but it does reconfirm in our hearts and minds that we as a people are okay. We are not, as frequently portrayed, all angry, all righteous, all the time. Please accept our thanks for the recognition and supper. It was delicious. Hopefully, we will be able to pay it forward.

Butch and Sharon Rocker

SINGLETON...

FROM PAGE 4A

And to those who tar their opponents as racists: if it weren't for double standards you would have no standards at all.

Saturday, September 28th

Cornstock 2019

'On the Hill' at Lake Garnett Park

The Charlie Daniels Band, Whiskey Myers and William Clark Green take the stage September 28th at Cornstock

GARNETT - This year the annual Cornstock will be 'Celebrating 15 years of corn, music...& fun.' The one festival that celebrates and honors those who FEED and FUEL America.

Dreamed up in 2004, the Anderson County Corn Festival, a/k/a, "Cornstock", started out as "One day of corn, music and ... fun". In celebration of the area's agricultural heritage and specifically the impact of corn, Cornstock was born.

Today, the Anderson County Corn Festival, Inc.* consists of a fifteen member board and over one hundred volunteers who create an annual festival that is growing and growing, with the goal of being one of the largest festivals in Kansas. Cornstock - the Anderson County Corn Festival, is a collaborative effort that provides quality entertainment and activities for visitors while mentoring leadership skills to young adults and helping over 25 civic, church and educational non-profit groups fund-raise. Vital sponsorship support from corporations, small businesses and dedicated individuals fuel the operations of this annual event, now beginning its 15th year and counting.

Charlie Daniels Band

Whiskey Myers

Grammy for Best Country Vocal Performance by a Duo or Group in 1979 as well as single of the year at the Country Music Association Awards.

The CDB will perform 100

concert dates this year including performances on the Grand Ole Opry. The band's latest release, "Off the Grid - Doin' It Dylan," features 10 Bob Dylan songs by the CDB, and is their first CDB studio release since 2007.

"I love what I do," says Charlie of his 50-plus years in the music business. "I look forward to entertaining people. When show time gets here, I'm ready to go, ready to go play for them. It's a labor of love. I just thank God I make a living at what I enjoy doing." **BIO Whiskey Myers** This is the second time Whiskey Myers has come to the rescue for Cornstock. Back in 2016, Whiskey Myers filled the vacancy left by Casey D on a h e w . Since 2016, Whiskey Myers has been very busy making a name for themselves, so much so that they are performing to sold-out crowds and have recently opened for the Rolling Stones.

They are currently on the road for their 2019 Die Rockin' Tour, which kicked off January 24 in Birmingham, Alabama and continues all year with festival stops at Stagecoach and Cotton Fest as well as 15 recently completed European dates.

WHISKEY MYERS, the band's self-titled fifth studio album which they're self-producing for the first time, is due out September 27, the day before Cornstock, and features lead track "Die Rockin,'"

William Clark Green

now available. Also, a limited number of these albums will be released on vinyl.

Whiskey Myers have sold out 95% of their headlining shows over the past two years (including Billy Bob's Texas and the iconic Georgia Theatre - on a Wednesday).

They have also sold 400K+ albums and amassed 300M+ streams as they've established a devoted fanbase through a relentless touring schedule - playing over 2,000 shows since their formation just 10 years ago.

Whiskey Myers were featured in Paramout Network's new Kevin Costner hit show "Yellowstone" with synced songs throughout Seasons 1 and 2 as well as an appearance by the band in S1E4. Their music is also featured in Netflix' "What/If," now streaming.

"Yellowstone" and its 4.5 million viewers sent the band's 2016 album Mud to No. 1 on the iTunes country chart and Top 20 all genre, simultaneously with their 2011 album Firewater and 2014's Early Morning Shakes also hitting the Top 10 country albums and Top 50 all-genre. Five songs off the 2+ year old albums also charted in the iTunes Top 200 with "Stone" hitting the Top 10 on the country chart.

William Clark Green A singer and songwriter William Clark Green was born in Flint, Texas on May 19, 1986. When he was 12, his family moved to College Station, Texas, and Will began taking guitar lessons at church. Green's tastes then leaned to hard rock, but when his

father played him Willis Alan Ramsey's classic 1972 debut album, the youngster became interested in the Texas singer/songwriter tradition.

He enrolled in college after jobs as a ranch hand and working in a feedlot didn't work out for him. But he was more interested in music than academics, and it took him six years to complete his Agriculture Economics degree at Texas Tech. Green spent nearly as much time playing open mikes and acoustic gigs as he did studying, and by 2008 he was playing a weekly residency at the Blue Light in Lubbock. That same year, he released his debut album, Dangerous Man. The album Misunderstood followed in 2010, but it was 2013's Rose Queen that became Green's breakthrough. The album was a solid success in Texas, where the songs "She Likes the Beatles" and "It's About Time" earned significant airplay. The album eventually peaked at 34 on the U.S. Country Albums chart as Green's reputation grew beyond his home state.

In 2015, Green dropped his fourth album, Ringling Road. "Sympathy," "Sticks and Stones," and the title tune were all radio hits in Texas, and the album sold even better than Rose Queen, climbing to 18 on the U.S. Country Albums chart and going all the way to number one on the Heatseekers chart, a listing for new artists on the rise. Following the 2016 concert set Live at Gruene Hall, Green returned in 2018 with Hebert Island.

Have a great time at Cornstock!

'On the Hill' at Lake Garnett Park

Important things to know for Cornstock

Info Booth

An "Info Booth" is on the festival grounds (with our official festival merchandise) courtesy of the Garnett Area Chamber of Commerce. For assistance, directions, etc., please visit the Info Booth. Special "Welcome" programs will be given at the entrance to the festival. Maps, schedule of events and feature articles are included in the welcome programs.

Free Shuttle Bus Service

FREE shuttle bus service is available for visitors throughout the day and evening. These shuttle services will take you to all events, activities, food and vendor booths, Concert on the Hill and parking areas. So if you don't want to walk, ride the bus!

Parking

Parking is available throughout the park in designated areas. Be sure to locate the parking lot signs to remember where you parked. Buses will stop at "Bus Stop" signs designated throughout the park.

Camping

Camping in designated areas within the North Lake Park. Reservations required through the City of Garnett, 785.448.5496. Electric hook-up and primitive camping spots are available on a first come basis. These sell out fast so make your reservations immediately. All campers must purchase concert wristbands. Otherwise, any congregating in parking and camping areas during the concert is strictly prohibited. All persons camping must comply with all city regulations. Questions can be answered by camp hosts or visit www.simplygarnett.com.

Handicapped

Handicap parking is located west of Legion Field in the fairgrounds (look for signs). A bus equipped for handicapped persons will be stopping at this designated stop and parking areas throughout the park. Handicapped port-a-potties are available at the Cornstock Concert on the Hill.

Personal Safety

If you lose someone: In the event you, your child, or friends/family become separated at the festival, please talk beforehand and pick a designated place to meet - like the Information Booth!

First Aid

First aid will be available for people that might need assistance.

Police & Security

Police and Security will be accessible throughout the park and concert areas.

Personal ATV's and golf carts are prohibited by the public throughout the park and concert area.

Swimming is prohibited in Lake Garnett at any time. Boating is prohibited September 28, 2019 for this event.

Cornstock Concert on the Hill is a rain or shine event.

Admission

Entry requires a ticket or wristband. No exceptions. All wristbands will be checked. Wristbands are \$40 at the gate. All sales are final. No refunds, exchanges or returns.

Additional Concert Guidelines:

Wristbands must be worn at all times in the concert area. Persons not wearing wristbands will be removed from the

premises.

Security and uniformed patrolmen are on-site to ensure safety. If you experience a problem or an emergency, please contact them for assistance.

All bags and carry-in items will be searched prior to entry of the gates. No food or beverages of any kind are permitted through the gates. Alcohol will not be allowed in or taken out. Vendors will be selling food and drinks at the concert.

The Concert on the Hill features festival style seating with ample room for your lawn chair. Event management reserves the right to ask spectators to remove any items that obstruct viewing or that may be objectionable. Please respect the views of those seated behind you.

A designated beer area is available and those entering must be 21 years old and show proof if questioned. **NO ONE UNDER 21 IS PERMITTED IN THE BEER AREA.** Beer is to be consumed in that area by those who are wearing an over 21 wristband. Persons may leave and return to the beer area as often as they wish but cannot take alcohol out of the designated area.

All persons attending Cornstock, the Anderson County Corn Festival and the activities therein do so at their own risk. No liability is assumed by the Anderson County Corn Festival Committee, its volunteers, the City of Garnett, the County of Anderson, managers, promoters, sponsors or others.

Come and Enjoy Cornstock!

Air Tour reprises 1928 stop in Garnett

Thursday event at city airport will show off planes, promote aviation industry

BY DANE HICKS THE ANDERSON COUNTY REVIEW

GARNETT - Granted, seeing an airplane close up was probably a bigger deal to Anderson County residents back in 1928, when the Kansas Air Tour made its first appearance here. But with 40 different aircraft landing

here Thursday as part of the 2019 Fly Kansas Air Tour, the event should still be a spectacle of air flight.

"It was a pretty big deal at the time," said Garnett Airport Advisory Board Chairman Pat Schettler. "Aviation at that time was a very new industry, and a lot of people saw the potential for communities to grow depending on how well they embraced it."

Garnett apparently embraced it pretty well in the late 1920s. An article from The Garnett Review regaled

the coming of that air tour, and noted Garnett landed its spot among the 10 destination air strips because the town had 30 members of the tour association. "They thought it surprising that a city the size of Garnett should start out with a membership of 30 members - businessmen determined to keep Garnett on the map," the article read.

Organized by some of the state's aircraft enthusiasts to try to promote the aviation industry when it was in its infancy nationwide, the air tour

was Kansas' way of not being left behind as urban areas began to see the advantages of air travel. The Kansas tour faded after a few years but was resurrected in 2008 by the Kansas Commission on Aerospace Education to again promote the state to flyers and to celebrate Kansas as the "Air Capital of the World" and to promote aviation education, pilot camaraderie and development of the industry.

The KCAE website said the tour has expanded from a handful of pilots to over 50 aircraft, most of which will visit 10 separate towns on this year's route.

The tour has a different route each year. Thursday's air tour begins in Wellington with a stop in Pittsburg for lunch. Aviators will fly into Garnett at approximately 1 p.m. and depart by 3:30 p.m. for Concordia, where they will stay the night. Another

KANSAS CITY, MO - The American Royal Youth Rodeo kicks off Tuesday, September 24 and continues through Friday, September 27 in Hale Arena at the American Royal Complex.

Brook and Lyndsay Hughes of Garnett have qualified to compete in Barrel Racing and Goat Tying. Brook and Lyndsay

are the daughters of Curtis and Jenny Hughes.

During this four-day event Brook and Lyndsay will participate against top student-athletes from across the Midwest. Since 2007, the American Royal has awarded \$80,500 in prize money at the Youth Rodeo, along with additional awards.

The event will be divided into

Junior and Senior Divisions. The Senior Division is made up of athletes ages 14-18 who will compete on September 24 and September 25 at noon on both days. Senior Division includes bareback riding, bull riding, barrel racing, breakaway roping, steer wrestling and much more.

The Junior Division, com-

posed of athletes ages 13 and under, will compete on September 26 and September 27 beginning at noon on both days. These young contestants

will compete in events such as mutton busting, barrel racing, junior bareback riding, breakaway roping and goat tying.

Viking cross country boys & girls win at Wellsville

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

WELLSVILLE - As the season progresses it seems it will get difficult for the Central Heights Viking runners to top what they have already done but they keep defying the odds and have been relentless in their pursuit to get better each and every week.

"Although it was another hot, humid afternoon, it was also another great day to be a Viking," Troy Prosser said.

Prosser added, "I love seeing the level of success by all of the runners from 6th through 12th grade and the growth in their learning and leadership as this season has progressed. To have 8 middle schoolers place in the top 25 of their respective races of over 400 runners deserves a lot of recognition."

"Speaking of recognition, the varsity boys' 29 points that resulted in a 51 point victory is nothing short of amazing," Prosser added.

"The varsity girls finally took their chance to share the spotlight this week. We have only been able to field a full girls squad once in my five years at CH and this group brought smiles to a lot of faces when the results were posted," said Prosser.

It wasn't a win against lesser competition either as the meet consisted of 19 schools such as Fort Scott, Jayhawk-Linn, Osawatomie, Eudora, Louisburg, West Franklin, Lawrence Bishop Seabury, Burlington, Chanute, Wellsville and Humboldt.

"Winning their first meet together and beating two of the top six teams in 4A is special and should be an incredible confidence builder. Hopefully it will motivate them, and the rest of the runners, to continue to make necessary improvements. Every runner on the team has a role and, so far, each one is filling theirs perfectly," Prosser added.

In boys action, Tyler

THE ANDERSON COUNTY REVIEW 9-24-2019 / SUBMITTED

The Central Heights girls cross country team eagerly waiting for the team results to see if they won the team title. Pictured from left are: Madison Bridges, Samantha Ferris, Lily Meyer, Taryn Compton, Abby Brown.

Stevenson (17:41) finished 1st overall out of 82 runners total.

Also top 10 finishes were from Alex Cannady (18:18, 4th place), Mason McCurry (18:21, 5th place), Luke Cotter (19:14, 9th place) and David Craft (19:15, 10th place). The final varsity runner was freshman Luke Burkdoll (20:45, 46th place).

Lily Meyer (21:18, 5th place) paced the girls team.

Meyer was joined in the top 10 (out of 72 runners) by Madison Bridges (21:31, 7th place) and Abby Brown (22:00, 10th place).

Also helping the girls team to their win was Taryn Compton (24:10, 29th place) and Samantha Ferris (24:41, 32nd place)

Bulldog golfer finishes 4th at Hayden Tournament

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

TOPEKA - Last Tuesday the Anderson County Bulldog girls golf team traveled to Topeka to compete at the Hayden Tournament at the Shawnee Country Club and came away with a pair of golfers in the top 15 overall.

Leading the way was Maclaine Sears who finished 4th overall by shooting a 47.

Sears was just one stroke behind the 2nd and 3rd place golfers but 8 shots behind tournament winner Lois Deeter (39) of Topeka-Seaman High School.

Madison Stevens finished just outside the top 10 with a 12th place finish. Stevens (49) was just two strokes behind Sears, showing the balance throughout the tournament.

Only 5 strokes separated the 2nd place finisher from the 21st place finisher on the afternoon.

Madolyn Honn (60) and

Jaxcen Farren (61) finished 35th and 36th respectively.

Ally Duke (71) rounded out the Bulldog golfers finishing in 41st.

"This was a very competitive competition playing with some of the 5A teams from Topeka," Coach Nichole Wiehl stated "The team has a tough week coming up, but is a great opportunity to get ready for regionals."

Wiehl's statement was in reference to a busy week for her girls as they were to have 3 tournaments in 4 days.

Yesterday, September 23rd the team was to travel to Chanute for an 18-hole tournament but due to heavy amounts of rain the tournament was postponed. Then on Wednesday they travel to Spring Hill and last they will finish the week with a trip to Council Grove on Thursday.

Crest cross country competed at Wellsville

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

WELLSVILLE - Elka and Ursula Billings will lead the way all season for the girls cross country team at Crest and last Tuesday was no exception.

Elka (22:00.96) outpaced Ursula (23:15:04) as they finished 11th and 22nd respectively.

Bailee Griffith (28:17.97) competed in the junior varsity

race and finished 22nd.

A freshman, Oona Nelson, from Lawrence Bishop Seabury Academy won the girls race with a time of 20:00.55 which was well ahead of second place Macayla McClure (20:44.46) of Fort Scott.

Next up for the team will be a trip today at Iola beginning at 4 p.m.

Girls win, boys lose 1st place tiebreaker at Parsons

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

PARSONS - It wasn't a perfect day for the Anderson County girls, but they came pretty close as all 7 of their varsity runners finished inside the top 15 en route to a team championship (31 points) over second place Iola with 50 points.

Renee Trout of Independence (23:50) finished first overall. Rayna Jasper (25:53) finished 2nd.

The group of Lilly Spring (26:44, 5th place), Maryah Ackerman (27:20, 6th place), Lanie Walter (27:54, 8th place), Makenzie Kueser (28:30, 11th place), Daelynn Peine (28:43, 13th place) and Maya Corley (28:52, 15th place) were all a part of the varsity squad that all finished in the top 15.

The boys tied with Iola for first overall but lost the tiebreaker dropping them to 2nd on the day.

Morgan Hall-Kroph (21:13, 4th place), Dallas Kueser (21:31, 7th place), Kasen Fudge (21:32, 8th place) and Riley Hedges (22:13, 12th place) all medaled and each finished inside the top 15 on the night.

Rounding out the runners were Orvel Broce (23:39, 17th

place), Jere Riehl (23:53, 22nd place) and Nathan Schmit (24:44, 28th place).

"All of our kids ran great this afternoon. The temperatures were pushing 100 degrees and yet they all ran this hilly course with the kind of determination that it will take for us to win 2 league titles this year. I am very proud of the effort that they gave and even prouder of the results," head coach Mike Sibley stated.

Girls JV results

Emily Moyer (30:10, 2nd)
Bailey Gruver (33:36, 4th)
Mara Kolinowski (34:25, 5th)
Emily Coles (36:40, 10th)

Bulldogs lose home opener to Santa Fe Trail

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

GARNETT - It wasn't the 2019 debut the Anderson County Bulldogs and new head coach Logan Pegram had in mind as his team opened their home schedule with a 43-26 defeat to Santa Fe Trail.

Santa Fe Trail scored first to take an early 6-0 lead before the Bulldogs got on the board with a Dilliner touchdown for an 8-6 lead after a successful conversion.

As SFT did all night, they answered quickly. Just over a minute they scored on a 46 yard scamper to jump back out on top 12-8.

Following another SFT score, the Bulldogs trailed 20-8 late in the first half. Garrett Edens tacked on a touchdown with just 34 seconds remaining to cut the deficit to 14-20 and putting the Bulldogs in good position for a second half rally.

But, once again, SFT had an answer as they traveled the length of the field in the final seconds and scored on a 20 yard touchdown pass and catch right before intermission and giving them a more comfortable 27-14 lead at the intermission.

Anderson County didn't go down without a fight though as they opened up the scoring in the second half midway through the third period to cut the deficit down to 27-20.

Santa Fe Trail promptly took the ensuing kickoff back 85 yards to go back up 2 scores and deliver a gut punch that Anderson County just couldn't

THE ANDERSON COUNTY REVIEW 9-24-2019 / DANE HICKS
Bulldogs Justin Stiffer, Colton Palmer and Jayden Jarrett listen to a call from an official during Friday's Anderson County High School matchup with Santa Fe Trail. AC lost the contest 46-26.

recover from.

The teams would both tack on one more touchdown, the final Bulldog score was a 28 yard Eden run but it wasn't nearly enough.

Dilliner finished the night 7-12 passing for 87 yards to go along with 27 carries for 115 yards and a touchdown.

Austin Edens ran the ball 15 times for 94 yards and two touchdowns.

Garrett Edens had 4 catches for 53 yards and added a one

yard touchdown run for the other score on the night.

"We had a rough game for our home opener. We played flat with little energy. Our offensive line was challenged with their front line and our lines lost on both sides of the ball. Defensively we didn't play as a unit and it showed up on the field. We had some kids step up in certain roles which will allow them the opportunity to produce next week. We

have to do a better job coaching our kids up through the week in order to get the result we are looking for on Friday nights," Coach Pegram stated about the disappointing night.

"We have a big challenge ahead of us with a hungry Iola team that has done a lot of good things this year with their rushing attack. We look forward to playing them at Iola on Friday," Pegram added.

Vikings offensive woes continue in latest defeat

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

WABAUNSEE - The Vikings were trailing from the opening kickoff last Friday in their road contest against Wabaunsee and never recovered in a 31-6 defeat.

Wabaunsee opened the scoring by returning the opening kickoff for a touchdown and an early 6-0 lead.

Their second score of the game would be a non-offensive touchdown as well as the defense picked off a Cass Burroughs pass and returned it for a score to take a 12-0 lead into the second quarter.

Yet another defensive score off an interception by Burroughs resulted in another Wabaunsee touchdown and after the ensuing extra point kick they took a 19-0 lead which is what the halftime score would be.

Wabaunsee would score the first touchdown of the third

quarter before the Vikings finally got on the board with a touchdown strike of 34 yards from Cauby Newell to Tony Detwiler.

Wabaunsee would tack on a late score to finish off the 31-6 victory.

Offensively the Vikings struggled all night as they had 3 quarterbacks combine to connect on just 3 of 17 passes for 50 yards to go along with 1 touchdown and 2 interceptions.

Detwiler carried the ball 16 times for 81 yards and also led the defense with 8 tackles on the night.

Tony Kirkland added 13 carries for 64 yards to lead the Lancer offense and had 4 stops on defense.

Central Heights will host Oskaloosa Friday night at 7. Oskaloosa is 0-3 on the seasons, having been outscored 166-12 in those 3 games.

Bulldogs win a pair of games at home

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

GARNETT - Last Tuesday, Anderson County hosted Santa Fe Trail and Burlington and swept both teams in 2 sets each.

The Lady Bulldogs downed Santa Fe Trail 25-17 and 25-20 before knocking off Burlington

25-19 and 25-14.

Next up for Anderson County is a trip to Wellsville tonight with play beginning at 4:30 p.m.

AC finishes 3rd at Iola Tournament

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

IOLA - On Saturday, September 14th the Lady Bulldogs volleyball team won 3 of 5 games to finish in 3rd place at the Iola Tournament.

In pool play, Anderson County downed Parsons in two sets 25-18 and 25-11 and Prairie View in two sets 25-7 and 25-9 before losing a hard fought battle to Pittsburg 22-25 and 23-25.

In bracket play, Riverton had the upperhand in the opening game winning the game in 3 tough sets (26-28, 25-21, 25-27). In the final game of the day

the Lady Bulldogs picked up a win the second time around against Pittsburg after dropping the opening set 18-25. They bounced back winning the final two sets 25-21 and 25-19.

Coach Alaina Fairbanks said Kaylyn Disbrow and Cali Foltz both had great performances on Saturday.

Disbrow finished 21 digs, 22 kills, 5 blocks and 10 aces on the day.

Foltz was tough at the nets finishing with 25 kills, 7 blocks and 7 aces.

Lady Lancers lose 2 of 3 at Altoona

BY KEVIN GAINES THE ANDERSON COUNTY REVIEW

ALTOONA - The Crest Lancers volleyball team opened play last Tuesday with back-to-back two-sets defeats before rallying to win their final match of the night against Altoona.

Chetopa (18-25, 10-25) and NE Arma (19-25, 23-25) both downed Crest in just two sets.

The Lady Lancers responded to salvage a win on the night with a two set victory over Altoona (25-19, 25-6).

Lindsey Godder connected on all 33 of her servess, including 7 aces, to go along with 21 digs to lead the way for Crest.

Rylee Beckmon also didn't miss any of her 24 serves (4 aces) and had 22 digs on the night.

McKenna Hammond led the Lancers in serve receive passing to go along with a team leading 10 kills.

"We played well in spurts but seemed rattled," head coach Abigail Hermreck stated.

She added, "We were having trouble with passing and communication at first, things we usually do well."

Despite the struggles, Coach Hermreck loves the attitude and effort her girls give regardless of the score.

"We continue to make hustle plays and support each other," Hermreck added.

Next up for Crest volleyball is a trip to Uniontown on Tuesday night beginning at 5 p.m.

THE ANDERSON COUNTY REVIEW 9-24-2019 / SUBMITTED

On Thursday, September 12th, students at Greeley Elementary celebrated Grandparents Week by having lunch with their grandparent or other important family member. Twenty-six grandparents were able to attend and visit with their grandchild. Prior to lunch, there was a short reading about the importance of grandparents and how children should be thankful if they still have these wonderful people in their lives. Pictured: Kindergartner, Chisum Modlin (center), enjoying lunch with his grandpa, Tim Katzer (left) and his grandma, Connie Peine (right).

THE ANDERSON COUNTY REVIEW 9-24-2019 / SUBMITTED

The Anderson County High School Cheerleaders recently held their annual AC Junior Cheer Clinic which culminated in a performance last Friday during halftime of the Bulldogs football game against Santa Fe Trail. Pictured are all the junior cheerleaders that participated in the event.

I'm McKenna Hammond and I am a Freshman at Crest High School. I am the daughter of Chad and Brenna Hammond and granddaughter of Mike and Renda Hammond and Homer and Shirley Adams. My great grandmother is Bonnie Adams. I love volleyball and I'm involved in FCCLA, band and Cheer this year.

Shyla McCutchen
Hi, my name is Shyla McCutchen. I am running for the 2019 Kincaid Fair Queen. I'm 17 years old and I'm a Senior at Crest High School. I plan on attending college to be a nurse. I'm the daughter of Trilla Miller and granddaughter of Kenneth and Carolyn Eastwood. I was born and raised in Kincaid Kansas.

Aubree Holloran
My name is Aubree Holloran and I am a Junior at Crest High School. I'm active in volleyball, basketball, softball and dance. I am also Vice President of FCCLA, secretary for FFA and active in STUCO. My parents are Kevin and Stacy Holloran. My siblings are Sydney and Jacob. My Grandparents are Charlie and Mary Holloran and Delton and Janice Hodgson.

Haylee Beckmon
My name is Haylee Beckmon and I'm the 15 year old daughter of Nathan and Krissy Beckmon. I'm the granddaughter of Randal and Marsha Beckmon and Terry and Jackie Broyles. I'm active in volleyball, basketball, softball, dance, gymnastics, cheer, FCCLA and FFA. I enjoy riding my horse, helping out with special needs children, hunting with my dad and hanging out with family. I also enjoy helping the community and spending time at the lake. I go to church at the BARN and I am active in Barn Harvesters 4-H club. My plans for the future are to attend college and become a therapist at Children's Mercy Hospital and to help out on the family farm.

Nitro soccer continues their winning ways

On Saturday, September 7, the Nitro Soccer Club from Anderson County sponsored by AuBurn Pharmacy went to Louisburg to kick off their season with wins in both the under 12 and under 14 division. The under 12 team started the day for Nitro soccer at 10:30 a.m. by playing a team from Osawatomie. When Nitro took the pitch they showed their dominance early and often, scoring three goals in the first half.

Owen Hawkins, Bo Johnston and Abram Hermann each tallied a first half goal.

The team was not done there as Roy Gordon added a goal in the second half. While the offense was scoring, the defense was just as strong by shutting out Osawatomie.

In the second game of the day for the Nitro Soccer Club the under 14 team took on Paola. This age is supposed to be played 11 on 11. However, due to Paola not having a full team it was started as a game of 8 on 8. The Nitro Soccer Club dominated the pitch in this game.

At halftime Nitro was leading 5-1 and kept up the pace of play winning by mercy rule with a score of 11-1. Due to a league rule with the point spread Nitro Soccer ended the game playing 6 on 8.

The two Nitro Soccer Club teams consist of a total 33 players and will continue to play on Saturdays in Paola,

Osawatomie and Louisburg. Other teams in the league are from Louisburg, Paola, Osawatomie and LaCygne.

On Saturday, September 14, 2019 the Under 12 and Under 14 Nitro Soccer Teams traveled to Paola and both came away with wins in their respective games.

The Under 12 team had an early morning with a 9:00 a.m. start against LaCygne.

Aleck Smith had no problem waking up as he scored a haul of goals (four in one game). Bo Johnston added a single goal in the match. The Nitro defense was able to hold LaCygne to only three goals giving them the 5-3 win improving them to 2-0 on the season.

The Under 14 team had to wait until 3:00 p.m. to take on Louisburg. Louisburg struck first scoring an early goal.

Nitro didn't let Louisburg's lead get them down scoring the next three goals to go into halftime with a 3-1 lead.

Early in the second half Louisburg came out hot scoring two early goals to tie the score at three. Nitro later scored a single goal to take a 4-3 lead. In the final seconds of the game Louisburg had one last chance to win. With less than a minute to go the ball was loose in front of the Nitro goal with what looked like a rugby scrum near the ball. Isaac Richards, the Nitro goal keeper, was somehow able to come away with the ball. As Richards cleared the ball the final whistle blew,

THE ANDERSON COUNTY REVIEW 9-24-2019 / SUBMITTED

Ava Hermann kicks the ball with Logan Walter in the background watching.

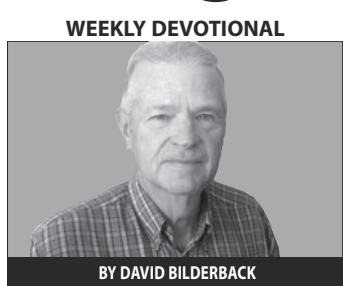

allowing the Under 14 year old team to join the younger team at 2-0 on the season.

On September 28, both teams will play in Paola, the under 12

will play at 10:30 a.m. while the under 14 will play at 1:30 p.m.

Then there will be no suffering!

In Romans 8:18 the Apostle Paul makes this statement concerning suffering and the future glory of Christians. "I consider our present sufferings are not worth comparing with the glory that will be revealed in us." Our suffering in this present life is very real and difficult to understand at times. What do you say to a young mother who has just lost a child in a tragic accident or what do you say to a wife whose husband has left her, or a husband whose wife has left him? What do you say to the person who has just lost his or her beloved mate of fifty years? The possibilities for this type of suffering are almost endless. In each instance these people feel alone and often abandon. There is no self-assuring answer to make them feel better. So what is Paul referring to when he says "our present sufferings are not worth comparing with the glory that will be revealed in us." I believe the apostle is saying this is not the best God has for us. This is a difficult concept to understand when we are presently suffering. When Adam and Eve sinned in the Garden of Eden God placed a curse on the earth which will not be lifted until the realization of the kingdom at the end of the age. Suffering is one of the results of this curse. In Revelation 21:1-5, God reveals to John the Apostle on the isle of Patmos the end of suffering for the people of God. "Then I (John) saw a new heaven and a new earth for the first heaven and the first earth had passed away, and there was no longer any sea. I saw the Holy City, the new Jerusalem coming down out of heaven from God,

BY DAVID BILDERBACK

prepared as a bride beautifully dressed for her husband. And I heard a loud voice from the throne saying. Now the dwelling of God is with men and he will live with them. They will be his people, and God himself will be with them and be their God. He will wipe away every tear from their eyes. There will be no more death or mourning or crying or pain for the old order of things has passed away." Then he (God) said, "Write this down for these words are trustworthy and true." Both Paul and John had an understanding of the difference between this life and eternity. The Apostle James drew a parallel as well when he described this life as follows. "You are a mist that appears for a little while and then vanishes." The Psalmist describes the length of our days as seventy or eighty years but their span is but sorrow and trouble.

The reason God told John to write down what he told him was God always blesses his people on the other side of suffering and that is what we can take comfort in.

Why me? Why not

Glenn Brunkow, Pottawatomie County farmer and rancher

One of my favorite cartoons is a "Hagar the Horrible" panel. The picture shows Hagar with arrows stuck in his shield, his boat sinking, obviously having a bad day. He has his hands thrown back and is looking at the heavens and proclaims, "Why me?"

The next panel shows the skies above him open up and a voice say, "Why not!" I think back on that cartoon sometimes when it comes time to advocate for agriculture. Whether it is in D.C., Topeka or a fourth-grade classroom, many times I wonder, why me? Why can't I just stay home and work on my farm and forget the rest of the world exists?

Truth be told, I suppose I could, but the reality is the days of keeping our noses to the grindstone, minding our own business and not worrying about what anyone else thinks are long gone. I don't know if you have noticed, but things like social media allow everyone with an opinion and a keyboard to be an expert about agriculture.

That is why it is so important for us to be involved and to advocate for agriculture. We are the true experts, and every one of us pour our blood, sweat and tears into what we do. So, I will ask you this question. If not you, then who will tell our story? We all know that answer, and the alternative is one that should scare us to death.

That is also why it is so important to be active in Kansas Farm Bureau. Alone our voices can be heard, but it is a much greater challenge. Kansas Farm Bureau and, ultimately, American Farm Bureau allow for us to come together as farmers and ranchers to achieve a common goal. It is the power of the individ-

ual member to have influence that gives us our grassroots strength.

I know each of us are incredibly busy, and it is so hard to make that sacrifice to be gone from our farms and ranches. Let me assure you the sacrifice is well worth the pain. I truly believe the time I spend advocating for agriculture, whether it is telling our story to school kids or elected officials, is just as important as the time I spend in my tractor seat.

We must all take the time to tell our story. Each of us has one to tell and the public needs to hear it. The days of assuming everyone has ties to agriculture and understands what we do are gone. The public wants to like and trust us,

but they need to hear our story from us directly.

The next time your phone rings or that email pops up with an opportunity to advocate for agriculture, I want you to answer the call and tell everyone about the great work we all do every day. We feed a hungry world while protecting the soil, air and water. Why you? Why not.

"Insight" is a weekly column published by Kansas Farm Bureau, the state's largest farm organization whose mission is to strengthen agriculture and the lives of Kansans through advocacy, education and service.

The family of Alvin Dennison would like to thank everyone for their expressions of sympathy, flowers, cards, food, condolences and memorial donations given at the time of our loss. Special thanks to Richmond Healthcare & Rehabilitation for their care, Feuerborn Family Funeral Service and Reverend Lloyd Houk for the beautiful service.
*Ed & Stacey Dennison
Clark Dennison
& families*

The family of **Bernie Pracht** wishes to thank everyone for the thoughtfulness shown to us with Mom's passing through cards, food, flowers, prayers, donations and being there in our time of sorrow. Thanks to Father Jerry Williams, Father Daniel Stover and Father Quentin Schmitz for the visits, prayers and beautiful service. We would like to thank Anderson County Hospital Residential Living Center for the excellent care and dedication during the last four years; Crossroads Hospice & Palliative Care and Dr. Wendy Belcher. To Reuben Feuerborn, Stacey, Tracey, Kenny and Debbie for their help during this time. Words cannot express the gratitude, we all have for those who have shared Mom's life and memories with us. God Bless All. May we continue forward in our lives with her example.

Colony Christian Church - 'Unplanned Situations'

Larry Wittmer gave the Communion Meditation about how our lives are full of unplanned situations. Unplanned travel stops can be either good, or not so good. 2 Corinthians 11 tells us about how Paul was beaten, stoned, shipwrecked, etc. But Romans 8:8 also tells us that God works all things together for good for those that love Him, even horrible things like what Paul went thru. We should embrace those unplanned stops, because Jesus is present in every single one of them.

Pastor Chase Riebel is preaching on a series over the Sermon on the Mount (i.e. The Beatitudes). We often feel

that what will make us happy is things, but that happiness doesn't last because there is no real meaning to it. Matthew 5:3-4 tells us that "God blesses those who are poor and realizes their need for him, for the Kingdom of Heaven is theirs. God blesses those who mourn, for they will be comforted." God blesses us with the comfort of the Kingdom of Heaven. His blessings aren't just things that make us happy, but peace and contentment. Humble yourself before the Lord, and he will lift you up. (Ref: Matthew 5-7, Luke 18:9-14, Philippians 3:7-8, 1 Timothy 6:6, James 4:7-10, Romans 7:14-20, Matthew 9:36-38, Psalm 51:7-17) Hear this sermon in its entirety on our website at Upcoming Events | Colony Christian Church.

Another seven stops will continue the Fly Kansas Air Tour with the final stop in Wichita on Saturday, September 28th. Other sponsors include the Fly Kansas Foundation and the Kansas Department of Transportation - Division of Aviation. The Garnett Airport Advisory Board, along with community volunteers, are hosting the Garnett stop.

Garnett's stop will include exhibits and booths by local businesses, such as Genco Manufacturing and Monroe 816. The Garnett Farmer's Market will be on hand, along with aircraft displays by Air Med (helicopter), K-State Aviation School (of Salina), EAA presentation and more. Area schools will be bringing students to the event and the public is encouraged to attend and celebrate Garnett's aviation history.

THE ANDERSON COUNTY REVIEW 9-24-2019 / SUBMITTED

Westphalia School wants to give a big thank you to Landon Schilling and our PTO for donating a bench for the playground area. When the Kindergarten, 1st, and 2nd grade classes went outside for recess there was no place for the teachers and students to rest. Our thoughtful and talented 6th grade student, Landon Schilling, seated alongside Anna Dodd, decided to fix that problem and for his 4-H project he built them a bench. The Westphalia PTO donated the materials and together they created a beautiful sturdy bench that can be used for years to come!

KU...
